

Generic: Who are the authors of FREESCO?

Serge V. Storozhebyk is the founding father of FREESCO and actively maintained it upto FREESCO 0.2.7.

He's retired now and turned the project over to:

The 0.3.x series is mainly the work of [Dingetje](#), maybe better known as **Lightning** forum nick name
[What is the team behind FREESCO 0.2.7?](#)

Unique solution ID: #1110

Author: Dingetje
